Any guest under the age of 18 must be accompanied by, and seated with, their supervising adult during all bingo games. Courteous and respectful behavior is expected of all our guests - this includes turning cell phones off or to vibrate/silent, avoiding loud and/or constant conversation during games or talking on cell phones, and other common courtesies. Appropriate attire (shoes must be worn), hygiene, and language is expected of all guests at all times. Flashboards & monitors are for convenience only. A number is not valid until called by the caller. The last number called must be present in the bingo pattern. If you have a bingo, it is your responsibility to stop the caller. The ball number supersedes any caller/mechanical errors. The Drum & Bugle # is played on Doorbook games only. Bingo paper is valid only for the session in which it was purchased. Players must be present by 11:00PM. Winning Pull Tabs must be redeemed during the session in which they were purchased and may not be taken off property. All decisions by management are final.
